Test Exemption Policy

Those members of the Freshman, Sophomore, Junior and Senior classes who are in good standing academically, behaviorally, and maintain an outstanding attendance record, shall be permitted to be exempt from taking semester tests at the end of the first and second semesters. All junior high students must take every final exam. If a student is exempt from all final exams for that day, he or she must be on campus from 8:00-10:00 each day. At no time during exam week are you allowed to leave campus and then come back for any reason. If you leave, that means your testing or practices are completed. To be considered in good standing, a high school student must meet the following criteria:

1. Have no more than three excused absences in a semester per class. Two excused tardies in that class will be the equivalent of one absence.
2. Maintain at least an 85-grade working semester average in a class. Each class will stand alone.
3. Maintain a 90-grade average in citizenship in a class. Each class will stand-alone.
4. Have no unexcused absences or tardiness in any class. An unexcused absence or tardy will disqualify the student from exemption in any class.
5. Absences will be prorated according to the **Working Semester Grade Average** maintained in a single class as followed:

0 absences- a student must maintain an average of 85 or higher

1 absence- a student must maintain an average of 88 or higher

2 absences- a student must maintain an average of 91 or higher

3 absences- a student must maintain an average of 94 or higher
