Prairie Valley Parents, Staff and Students,

Prairie Valley ISD has been notified that nine more students have recently tested positive for COVID. This brings our total cases to twelve for the week.

Please do not send your child to school if they are sick. Our entire campus has been and will continue to be sanitized, and all district employees have been instructed to maintain social distancing procedures as much as they can. Staff and students also have the option to wear face protection as they deem necessary.

At this time, we are continuing to have school and our staff will be back in the next few days. We hope for a successful recovery for all of our students. If you have any questions, please do not hesitate to contact the school.

Sincerely,

A handwritten signature in black ink that reads "Tim West". The signature is written in a cursive style with a large, looped 'T' and 'W'.
