Dear Prairie Valley ISD Parents and Seniors,

On Friday, October 18 we will be set up at your school to take senior yearbook portraits. These are the formal pictures with gentlemen dressed in tux jacket & shirt and ladies will be dressed in a drape.

Garner Studio will furnish the clothing for your photo (tuxedo for men, and velvet drape for women). You need only show up **properly groomed** according to the school handbook. Please remember, you must abide by school policy concerning facial hair, jewelry, etc. – no exceptions. **Ladies will be photographed with bare shoulders, so it would be helpful to wear or bring a tank-top or spaghetti strap top to your session. A garment will be provided for those who need it. Gentleman, please wear a t-shirt instead of a button up collared shirt.**

Several photos will be taken of each senior. Your photos will be available for viewing and to purchase online a day or two after picture day. We do not have pre order or order forms for senior portraits. If you have any further questions or concerns, please contact Garner Studio at (940) 668-1422 and ask for Kip or Tammy.

Please note: On rare occasions we have seen students who were disappointed with their photographs because they didn't take this session seriously or didn't bother to show up for their original appointment. While we will have a stylist present to do minor touch-ups, you are responsible for your hair, makeup and attitude on picture day. We want this to be a fun experience, that's why we are devoting our attention to Prairie Valley High School Seniors on this date. There will not be an easier way to have your yearbook photos made, so we strongly urge you to take advantage of this session.

Good luck during the coming year and we look forward to working with you.

Sincerely,
Kip Garner
